## **BERGLI HILL FARMSTAY**

Bergli is a 100 acre farm at Teddington, Lyttelton Harbour, on the right of Charteris Bay Road between Governors Bay and Diamond Harbour.

### **From CHRISTCHURCH CITY CENTRE (30 minutes)**

Take Colombo Street southward. This will change into Dyers Road from the Cashmere Hills with "The Sign of the Kiwi" at the summit. Coming down into Lyttelton Harbour go towards Diamond Harbour through Governors Bay, Allendale then Teddington. At Teddington the Wheatsheaf Tavern is on your right, at the turn off to Akaroa.

Continue on in the direction of Diamond Harbour for 2 kilometres.

On your right will be a yellow letter-box and a wooden sign with "Bergli B&B" on it. If you start driving up the slope and see a deer farm on your left...you have gone too far!

### **From CHRISTCHURCH AIRPORT (45 minutes)**

Turn right at the 2nd round-about on highway 1 to go in the direction of Timaru and Akaroa. At Hornby, the road is parallel to the railway lines, and Highway one turns to the right in the direction of Timaru. Go across Highway 1 and continue straight.

After about 1 kilometre, take the roundabout to the left for Highway 75 going to Akaroa. Turn here and travel through Halswell, Tai Tapu and Motukarara. After this "Palmdale" (the old "The Black Tulip") cafe is on the corner of the turn off to Gebbies Valley and Diamond Harbour.

Turn left here, and travel through the valley and over the hill. You will come down into Lyttelton Harbour, to "The Wheatsheaf Pub" on your left at a "T" junction. Turn right here, in the direction of Diamond Harbour and travel for 2 kilometres. You will see a yellow letter-box and a wooden "Bergli B&B" sign on your right. If you travel up the slope and see a deer farm on your left, you have gone too far!

### **From the North**

Take the "Christchurch via Marshlands" exit from the motorway north of Christchurch, and at the second roundabout go left on the "R" Ring road, which will take you to the east...the sea side. From there follow the signs to Lyttelton, go through the tunnel, and to the right, skirting around Lyttelton Harbour with the Port Hills on your right, and the harbour on your left. From Lyttelton it will take 25 minutes. You will go through the Maori settlement of Rapaki, Governors Bay, Allendale, and then come to Teddington. "The Wheatsheaf Tavern" is on your right at the turn-off to Akaroa. Keep on straight in the direction of Diamond Harbour and travel for 2 kilometres. You will see a yellow letter box and a wooden "Bergli B&B" sign on your right. If you travel up the slope and see a deer farm on your left, you have gone too far!

### **FROM THE SOUTH**

From Highway 1 heading for Christchurch, turn right at Burnham, and head towards Lincoln. Continue through Lincoln to Tai Tapu, and turn right onto Highway 75 in the direction of Akaroa. Two kilometers past Motukarara, turn off the main road at the Palmdale café into the Gebbies Valley. Drive over Gebbies pass, and down to Teddington. At the T-Junction, marked by the Wheatsheaf tavern, turn right in the direction of Diamond Harbour and travel for 2 kilometers. Just before the first rise, our driveway is marked by a bright yellow letter-box, and a large "Bergli B&B" sign on the right. You have gone too far if you travel up the slope and see a deer farm on the left.

### **GOOD LUCK AND DRIVE CAREFULLY!**
